Seitenbacher Farmer's Bread

It's so easy, just add water, everything else is included. Pure quality and delicious taste take you back to grandma's good old bread. Germany, a country with a strong baking tradition is the origin of this product. German breads are well known around the world for their exceptional taste, based on environmentally friendly farming, traditional milling, dough preparation and baking.

Seitenbacher Spelt Flour

The spelt flour in this bread mix is made of grains, cultivated under special controlled conditions. The surrounding farmers are proved partners. Seitenbacher is located in a traditional spelt growing region. Here we treasure the good old spelt sorts "Bauländer Spelz" and "Schwabenkorn", produced without genetically modified organisms.

Seitenbacher Sourdough

Sourdough is the oldest ingredient in history for a good bread. Seitenbacher Natural Sourdough provides good aroma, keeps bread fresh and makes bread healthier. We make sourdough naturally without artificial ingredients, ready to use at home (no 24h procedure).

Seitenbacher Dry Yeast

This Dry Yeast is an old style yeast without any artificial ingredients. It's just baking yeast, nothing else.
